### VSP Benefit – Eyeconic

Benefits Subject to Eligibility

The Vision Service Plan (“VSP”) which provides vision coverage for those enrolled in the Plan have teamed up with Eyeconic to provide online services to those looking to order glasses and/or contacts. Using Eyeconic, you can take your existing prescription and purchase glasses/contacts without the stress and pressure of visiting a retail location. They have a wide selection to choose from and even have a “Virtual Try-On tool” so you can see how a pair of glasses will look on you before ordering. Once you’ve found what you’d like to purchase, the product is sent to you without a shipping charge!

If you don’t have a prescription, Eyeconic can help with that process too. The “Find a Doctor” tool allows you to search for an eye doctor that can provide an eye exam, an updated prescription, and a frame adjustment and/or contact lens consultation. Be sure to take a look at the Eyeconic website at ([www.eyeconic.com](http://www.eyeconic.com)). Click on the “Use My Insurance” button and sign in using your VSP information to receive all the benefits and discounts available. For more information regarding VSP, you can contact them directly at (800) 877-7195 or visit their website ([www.vsp.com](http://www.vsp.com)).
